Ford Asked to List Papers U.S. Aided

United Press International

CARACAS — The Inter-American Press Association's Committee on Freedom of the Press proposed Tuesday that President Ford be asked to name the Chilean newspapers that received Central Intelligence Agency

funds during the leftist government of Salvador Allende.

The committee's recommendation will be presented to the full assembly of some 400 U. S. and Latin-American newspaper executives at today's plenary session of IAPA's 30th annual convention.
